CITY CENTER NEWS

Meeting Places & Storage Spaces

City Center Executive Suites is the premier business location where individuals and small businesses alike lease private, shared Class A office space in the Wells Fargo Tower.

But did you know that in addition to private offices, any City Center tenant can rent one of the two fully equipped conference rooms with stunning views of downtown Fort Worth?

Or did you know that if you're in need of some extra storage space, tenants may lease an interior office for all your storage needs?

CITY CENTER

FORT WORTH

While we enjoy having the arts festival in downtown, we often receive questions about our daily activities here in the towers.

Please see the details below sharing the slight adjustments during the festival in and around the City Center this week.

All valet services will be operating from the Bank of America valet stand the week of the festival; Wells Fargo valet will resume on Monday, April 24 as usual

Please note that the parking garages are open to the public during the festival so there will be an increase in the number of parkers in our garages

The buildings will be set to "key fob access" on Saturday, April 22 for both building doors and elevators. Please bring your key fob with you if you're planning to work on Saturday

Now for some Main Street Arts Festival FUN!

Back by popular demand and with an artsy twist. Can you tell us What IS That from Main Street Arts Festival?

The drawing is for a chance to win 2 tickets to the VIP Hospitality Tent by the UTA Main Stage from 4-10 pm. There will be a drawing for each night of the week!
