CITY CENTER NEWS

Your Donation Helps Save Lives

The next City Center Blood Drive is coming up in June and your donation can help save someone's life, like Lindsay Bruns from Flower Mound. She

was on a family vacation in the Florida Keys when she was attacked by a shark in the crystal blue waters. Learn more about Lindsay's story, her survival and how donated blood played a vital role in her recovery after the attack.

Thanks for playing our
latest version of

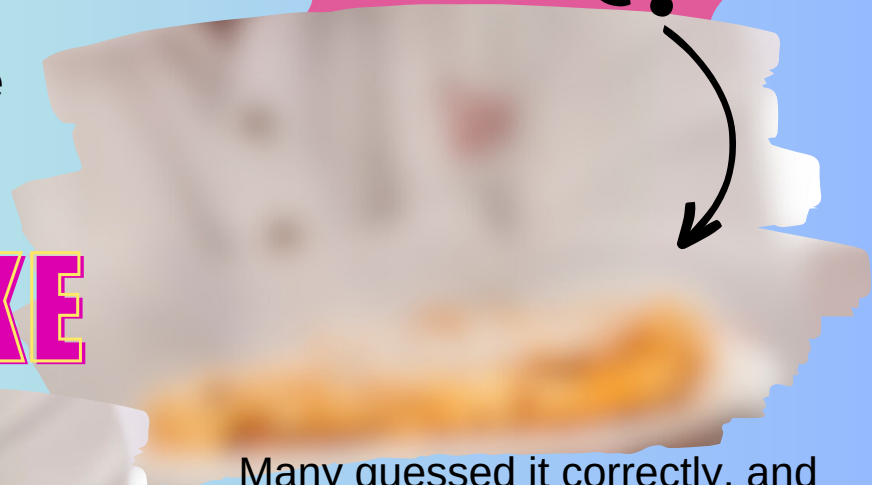

What IS That?

And now the moment you've
all been waiting for...
the answer is:

FUNNEL CAKE

But we'd be remiss if we didn't
share our absolute favorite guess
that was submitted for the contest.
It was so creative and they really
saw the "art" in our blurry photo,
so they too received tickets to the
VIP tent as a thank you for making
our day with their guess!

Many guessed it correctly, and
the winners were drawn and
provided VIP tickets to the
Main Street Arts Festival!

Thanks to everyone that
participated!

Do you see
it now too?

Fire Drills

City Center Security is conducting fire drills in both towers in May & June.

An email will be sent to the company's tenant safety representative to indicate when their floor will be included in the drills and signage will be used on the day of the drills.
