CITY CENTER NEWS

PUBLIC FIGURES PRIVATE ARTISTS

THE ART STATION
Healing Through Art

We are excited to share that we have many talented artists here in City Center! Now on display in the Wells Fargo Tower, you will see artwork created by several City Center tenants and local public figures too. Just as a reminder, some of the art was created during our open call to City Center artists and mini paint sessions took place in the Bank of America Tower. During the session, tenants worked with The Art Station's Art Therapists to create their masterpieces. Other artists created their own art pieces at home and donated them for the cause. All artwork donated will be part of the auction taking place during their Annual Fundraiser on October 4, 2023.

Stop by to view the artwork and celebrate your coworker's secret talents! If you're interested in bidding on any of the art, follow the QR code for more details on the event or email Valerie Farrell for more details: vfarrell@citycenterfw.com.

Event Details, Tickets
& Sponsorship:

Thank You!

We are so appreciative of the tremendous support received for this year's tower climb. From the teams that were here in the wee hours of the morning, to the volunteers and supporters onsite day-of, and especially the climbers and their families - we thank you all for joining us for this special event. It's hard to fully explain the beauty and emotion of that day, so hopefully the photos will help to share the story. Together, we will never forget 9/11/2001.

Oh so
PRETTY

We shared previously that the planters would soon be changing in the buildings, and we're happy to share they're here! Have you seen the new beautiful and colorful plants around City Center? The colors will keep changing as the seasons change too - we hope you enjoy the new additions to the towers!
