2023 & 2024 Memorial Tower Climb

Even though the Tower Climb is still several months away, we're working hard behind the scenes to finalize items from the 2023 climb and plan for this year's climb too.

One thing we've really enjoyed from hosting the climbs is getting to experience and witness the emotion, positive impact and the community coming together on that day. Seeing the climbers as they tackle the impressive feat of climbing 110 floors and observing the vast support provided by family, friends and the community alike...it is a really heartwarming experience and one we're grateful to take part in. Thankfully, in last year's climb, we had several wonderful photographers & a video team onsite to help capture the moments too. We invite you to relive that day with us now by scanning the QR codes to see the collection of photos and our first video from the 2023 climb (more to follow).

As we look forward to the 2024 climb, we're excited to announce the date, and ask that you **SAVE THE DATE** as well:

Saturday, September 14, 2024

We will have many opportunities for individuals/groups or companies to be involved with the climb again this year from sponsorship & volunteering to sharing your company's promo items in the participant goody bags, etc. So please reach out to us if you'd like to participate in any way.

General Inquiries:

Valerie Farrell - vfarrell@citycenterfw.com

Volunteer Coordinator:

Karen Henderson - khenderson@citycenterfw.com

Have you ever wondered what's behind these doors in the Wells Fargo tower elevator bank? Well, we're excited to share another change that's taking place inside City Center in just a couple short months. We are opening a conference area with 3 conference rooms, each with state-of-the-art audio and visual capabilities! We will share many more details about the space in the coming months, but in the meantime we wanted to enlist your help in deciding the name for this area. We've put our heads together and collected these options - please hit the [CLICK HERE](#) button to cast your vote for your favorite one!

- City Center Hub
- City Center Source
- City Center Boardroom
- City Center Connection
- The Boardroom at City Center

Those who vote for the name that wins will be entered into a drawing to win 4 tickets & 2 parking passes to the Dallas Stars game on February 17 at 2:00 pm. The winner will be notified on February 13 & the conference area's winning name will be shared in the February newsletter!

Garage 2: Office Upgrades

Please note: The City Center Garage 2 office is being remodeled. During construction, the Garage 2 office personnel will be working out of the Garage 1 office located at 201 Commerce Street on the 2nd level in the garage.

As always, please feel free to reach out with parking questions to our team at ParkingServices@citycenterfw.com.

Hidden GEM!

Being at City Center, we like to say that you're at 'The Center of It All'. A prime location downtown, and surrounded by a variety of dining and entertainment any day of the week. Today we'd like to feature La'Creamian®, an ice cream and coffee shop that's just as unique as Fort Worth and they're a short walk (or ride on Molly the Trolley) away from the City Center towers. Being that they're across the street from the Sandman Hotel, they had to close down unexpectedly for a few days but they are opening again this week. Let's shower our neighbor with support - after all, that is the Fort Worth way!

La'Creamian® is located at 215 W. 8th Street.
