## Carter BloodCare

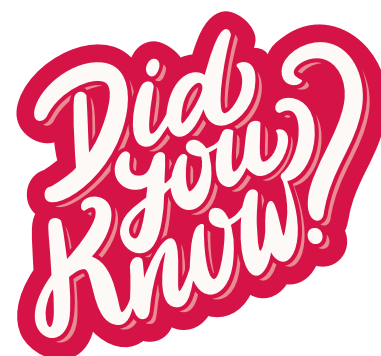

### March Blood Drive

We're pleased to share that the Carter BloodCare blood drives will be back in 2024 on a quarterly basis for the tenants of our buildings. The first one this year will be taking place on Tuesday, March 5 in The President's Room inside City Club. Please click [here](#) or use the QR code to sign up to reserve your spot today!

When you donate blood with Carter BloodCare, you're giving more time to your neighbors, your community and to fellow Texans. Click [here](#) to read about how a health crisis lead to new outlook on blood donation for our neighbor, Cynthia Banks.

Did you know you can log in to your donor profile three days after your donation and check your mini-physical results? Donating frequently allows you to track your non-fasting total cholesterol, blood pressure, pulse and hemoglobin results overtime.

# DRUMROLL PLEASE!

We received a tremendous response to the 'Name Game' for the new conference area! Thank you to everyone who voted and for the suggestions shared too. We really appreciate all of the participation! Earning a whopping 57% of the votes, we'd like to officially announce the winning name as:

## THE BOARDROOM at City Center

Currently, we are making additional modifications to the space with updated technology and furnishings. More details will follow once it's open and available to rent for corporate meetings and gatherings or conferences both large and small with top-of-the-line technology at your fingertips. Stay tuned!

*A night with the Stars!*  
And the winner is...  
*Kara Norman*

## City Center Fire Drills & Security Training

City Center Security provides tenant life safety training on an annual basis to enhance the tenant's awareness and knowledge of life safety procedures and systems in the buildings. Making yourself aware of the sights and sounds related to the emergency systems will give the confidence needed in an emergency such as a fire alarm or weather-related event.

In the coming weeks, our security team will begin sending out emails to their tenant contacts with more information when the fire drills and security training will be taking place this Spring.

## Meet the Bees Workshop

In this workshop, you can try on a beekeeper's veil, observe the bees at work, and taste honey fresh from the frame. If we're lucky, her majesty the queen bee may even grace us with her presence!

THURS, MARCH 28  
9:30 - 10:30 AM  
THE GRILL (STREET LEVEL  
INSIDE CITY CLUB)
