

CITY CENTER NEWS

MARCH 2024

In This Issue:

 Carter BloodCare
Drive Thanks

 Meet the Bees
Workshop

 Security Tenant
Safety Training

 Total Eclipse
Watching Party

Spring is often synonymous with event season, and there is no shortage of events in and around the towers this time of year! Here's a quick list of events and activities in our area:

Many thanks to those who joined us for the Carter Bloodcare Blood Drive in March. We look forward to seeing you all again on **Wednesday, June 12** and bring a friend! Time flies when you're having fun!

**THANK
YOU**

Meet the Bees Workshop

The Spring Meet the Bees workshop filled up quickly, but don't worry if you weren't able to get into this workshop this time, as we'll have another fun workshop this Fall!

**THURS, MARCH 28
9:30 - 10:30 AM**

**THE GRILL (STREET LEVEL
INSIDE CITY CLUB)**

Click the link or scan the QR code to keep up with our beekeeper, the bees and all things happening at our hive:

**COMING
SOON**

Tenant Safety Training
April 3, 4, 5
2:30 - 4:30 pm
City Club's Speakers
Room

City Center Security Tenant Safety Training

An email has been sent to each tenant safety representative to RSVP for the training. Topics covered during the training include emergency preparedness for weather-related or fire events within the buildings, who to call in case of a medical emergency, what to do if you see a suspicious person on-site, and so much more!

It is recommended that all Tenant Safety Representatives from your office attend one of the trainings available in April.

Contact security if there has been a change in the Safety Representative from your office: workrequest@ccsecurity.com

2024 Total Solar Eclipse

We're in the Path of Totality and that's cause for celebration since it's estimated that DFW won't experience a total eclipse again for at least 20 years!

Join us after lunch as we watch the progression of the total solar eclipse from the Garage 2 rooftop. We will have eclipse glasses to hand out onsite or if you would like them for your employees in advance, please email Karen Henderson at KHenderson@citycenterfw.com with the number needed and we will deliver them to you the week prior.

For an alternative viewing option, feel free to bring your own Indirect Solar Viewing objects, such as a pasta colander, spoon with holes in it, or an index card or paper plate with a hole punched in it!

If you plan to stay a while to view the full solar progression, please consider wearing sunscreen or protective clothing to prevent sunburns. There will be no tents or structures for shade.

JOIN US

- Garage 2 Rooftop
- Snacks & drinks provided by City Club
- City Center eclipse glasses available
- Standing room only (no seating/tables)
- Rooftop viewing open at 12:00 pm
- Total eclipse is at 1:40-1:43

**Click to
RSVP**

Please RSVP by **March 28** for this event by clicking the RSVP button or using the QR Code. Whether you're responding for yourself or your office, please RSVP the total number expected to attend.

*Please note that this event is for City Center tenants only (no outside guests, please).
