 City Center Changes

 What Is That?! Revealed

 Cuddles & Cups Event

 June Blood Drive

**Wow!**

is an understatement for the total solar eclipse, wouldn't you agree? Thanks to everyone that joined us to see this special 'solar-bration', enjoy the Moon Pies & eclipse cookies and take photos with the out-of-this-world photo area too! We loved hearing the cheers as the clouds cooperated and let us all witness the awe-inspiring moment the darkness provided.

Now that the eclipse is over, there are many organizations collecting eclipse glasses to donate to children in other areas and countries as well. Instead of sharing all the options here, please do a quick internet search to find a donation place near you.

## Happy Retirement!

Joanne Massey, City Center's longtime Controller, is retiring after a long and storied career of 43 years. Joanne began her career with City Center fresh out of college, and has been instrumental in accounting guidance, including system & process upgrades as the decades stacked up. Does anyone remember the days of hearing calculator keys clacking and long tape rolls cascading desks? Technology upgrades and systems abilities may have changed throughout the years, but Joanne has been a steadfast leader in her department. We are grateful for her dedication and expertise shared with us and our tenants over the course of her career. Join us as we wish Joanne a joyous and relaxing retirement for many years to come!

**Welcome!** Please join us as we share a warm welcome to Tanisha Rogers, City Center's new Controller. She has big shoes to fill following Joanne's tenure, but we are confident she will shine in her new role here. Tanisha is a seasoned CPA, has a background in commercial real estate accounting practices and brings a wealth of knowledge along with her. We know she will be a tremendous asset to our accounting team and is eager to contribute to the team's continued success. Welcome aboard, Tanisha - we're excited to have you here!

# What is THAT?!

Thanks to everyone that responded to the **What Is That?!** contest. We had many people guess it right, but it's so fun to learn what others see and guess too, so we always have to share some of those. We tried to recreate the guesses - can you see these ideas too?

## Pretzels!

"Baby wearing a bunny costume"

"A baby with an animal reaching over its shoulder"

### Winner! Winner! VIP Dinner!

These tenants were the lucky winners of tickets to the VIP area during the Main Street Arts Festival! Thanks for playing "What Is That?!"

## APRIL 29 - MAY 10

The **Top 5 Donation Drive** has begun! Please bring your donated items (newspapers, towels, blankets, treats, leashes, etc.) to the security desks in either tower lobby, Monday through Friday, between 8 am - 5pm. [Click here for the Top 5 items!](#)

Most people are familiar with the Humane Society of North Texas already, but do you know Hailey, Olive or Thumper? These are animals currently waiting for adoption and a loving home. If you're looking for a furry friend or would be interested in sharing some extra love and cuddles with our four legged friends, join us as we welcome the Humane Society for an adoption event this May! We will have scoops of ice cream to share, provided by **La' Creamian Ice Cream Shop**.

Join us!  
*Cuddles & Cups*  
Thurs. May 9  
10 am - 3 pm  
Wells Fargo Tower @ Street Level

## DONATION DRIVE

WEDNESDAY, JUNE 12  
8:30 AM - 1:00 PM  
PRESIDENT'S ROOM  
4TH FLOOR IN CITY CLUB

Blood donations are lifesaving for newborn on life support

The birth of a child can be one of the most joyous times for a young family, but it can also become one of the most traumatic. Click the photo to learn more about Zane's story from his mom, Ana Cruz Hollingsworth, from Frisco.
