Remembering Our Beloved Colleague: Dale Kesteloot

It is with deep sadness that we share the news of the passing of Dale Kesteloot, City Center's Director of Operations. Dale was not just a colleague but a cherished member of our organizational family for nearly 19 years. His dedication and unwavering commitment to excellence has profoundly impacted our company's success and the lives of everyone fortunate enough to have worked with him. Beyond his professional accomplishments, Dale was known for his kindness and his humor, but overall, he always shared a genuine concern for the well-being of others. His memory will continue to inspire us as we carry forward the legacy he helped build. We extend our deepest condolences to Dale's family and loved ones during this difficult time. Please keep him in your thoughts as we mourn together as a team.

Garage 1 Updates

We are continuing to cross off routine maintenance items from our list, and the next task includes the Garage 1 Entrance & Exit rolldown gates. Work will begin toward the end of July and be completed in early August. We will have signs out to share the exact location & dates of when the gates will be closed prior to and while the work is being done. One gate will be worked on at a time, so there will be easy garage access throughout this time in the alternative entrance/exits.

*What is
THAT?!*

We have another fun contest to share, but this time, the winner will receive 4 tickets + 1 parking pass to the **Ringling Bros. and Barnum & Bailey's The Greatest Show On Earth** on Saturday, August 3, 2024 at 7:30 pm at Dickey's Arena. If you'd like to guess what the photo is, click the clown shoes or use the QR code to be entered into the drawing! The winner will be selected & notified on July 12.
