**CITY CENTER**  
MEMORIAL TOWER CLIMB  
★ SEPTEMBER 14, 2024 ★

The 2024 Memorial Tower Climb is drawing near, and we would like to share two new additions to this year's event:

**US Flag Quilt:** Made up of 2,700 photos of victims from 9/11 (photo below) will be hanging by Fire Station No1 during the climb to honor and remember all who lost their lives on 9/11.

**Community Zone:** Fort Worth Police & Fire will both have engagement opportunities for the community to learn and enjoy. FWPD will have their Critical Incident dogs onsite to visit with guests and to share about their role in the Police Dept. FWFD will have an ambulance & their Fire Safety House onsite so visitors can climb in and learn more about fire safety and medical care.

The Tower Climb is family friendly and we welcome visitors and supporters to this meaningful event!

If you would like to volunteer or donate goody bag items for the event, please contact Karen at [khenderson@citycenterfw.com](mailto:khenderson@citycenterfw.com). We have many opportunities in the weeks prior to the event as well as event day volunteer roles too.

**THAT?!**

**DRUMROLL**  
Please!

Thanks to everyone that submitted a guess for our latest What Is That?! contest! We always enjoy hearing the creative ideas that are shared, and this time did not disappoint. Some of our favorite guesses included "elephant with person on their trunk" and "cowboy karaoke singer in a bar". But, this time the correct answer is "Trapeze Artists" (or similar variation). The lucky winner of the Ringling Bros. & Barnum & Bailey circus tickets was Dennis Espinal. Enjoy the show, Dennis!

childhood cancer.

Without these transfusions,  
chemotherapy would not  
have been able to continue &  
McKenzie would not be where  
she is today.

**THANK  
YOU**

Wow, Rangers fans, thanks for coming  
out to represent your team! We were  
pleased to share in the fun with each of  
you and appreciate everyone stopping by for  
photos, popcorn & coffee and entering in the raffle too.

Many thanks to the Texas Rangers for bringing  
the Trophy to City Center, and Chuck Morgan,  
the "Voice of the Texas Rangers" for visiting  
our event and taking photos with fans.  
The lucky raffle winners are: Victor, Mayra  
Susan, Annie & Charlotte. Thanks for playing,  
and we hope you enjoy the Rangers items!

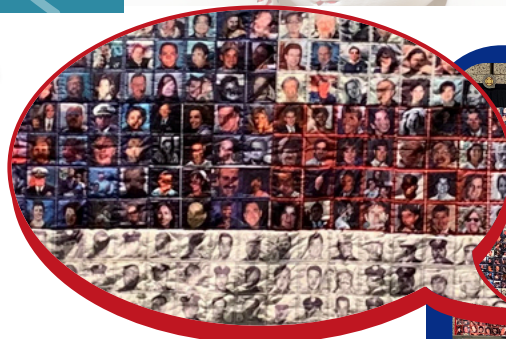

Many have already downloaded their photos, but  
we wanted to share the link again just in case the card was misplaced:

# 9/11 QUILT

The 9/11 Quilt is a beautiful way to  
remember the many lives that were lost  
in the 9/11 attacks. It will also hang in  
the Bank of America tower in  
September so people can stop by to  
view this meaningful tribute and  
honor the fallen.  
**WE WILL NEVER FORGET.**
