CITY CENTER  
FORT WORTH

JANUARY  
2025

# Thanks

Before we can fully move on to welcome 2025, we'd like to take a moment to share our sincere thanks to everyone for your participation in the last few activities of the year. We really loved hearing the singing & laughing around the Spin the Wheel game, and seeing the smiling faces and wishes being shared with Santa too. And a special thanks to our friends at both **203 Cafe** and **Starbucks** for providing the hot chocolate again - it was a delicious treat! If you haven't downloaded your photo with Santa yet, please click or scan the QR code below!

Also, we cannot forget to share many thanks for showing up in a big way with all the donations received for the two local charities again this year. **Saving Hope Animal Rescue** and **Sixty & Better** are tremendously thankful for your support and all the items collected. Your donations will make a big impact for these two charities and our local community!

As we look forward to the new year, we have many exciting things on the horizon to share with you in 2025. A few of those things are mentioned in the remainder of this newsletter, but others will be fun surprises as we move along throughout the year. Either way, we look forward to serving you even better in the new year, and we extend our warmest wishes to you!

# City Center Team Updates

**Operations Dept.** We are pleased to share that Ryan Johnson, a valued member of our Engineering team for more than 17 years, has accepted the role of Director of Operations. Ryan is deeply familiar with City Center's mission and values and is well-prepared to lead us forward for many years to come.

**Accounting Dept.** Sam Park, City Center's Assistant Controller for 25 years, officially retired in December of 2024. Her dedication, hard work, and unwavering commitment have been a cornerstone of our accounting team and she will be greatly missed! As we celebrate this well-deserved retirement, we are excited to welcome Debbie Burk, our new Senior Property Accountant. She brings a strong background in managing both retail and commercial properties, and a deep knowledge of accounting processes.

Please join us in congratulating & welcoming them as they all begin their new journey.

Trinity  
**Habitat  
for Humanity®**

Trinity Habitat for Humanity in partnership with Bank of America invite you to join us in celebrating the life of former U.S. President Jimmy Carter. President and Mrs. Carter led the Jimmy & Rosalynn Carter Work Project for Habitat for Humanity for more than 30 years. Together, they've worked alongside over 108,100 volunteers who have built, renovated or repaired more than 4,447 homes in 14 countries, all while raising awareness of the critical need for affordable housing, including a build in Fort Worth. Trinity Habitat for Humanity will have a standing door in a frame on display in the **Bank of America Tower** starting the week of **January 6**. We encourage you to stop by and sign the door as a memorial to President Carter and his work on affordable housing. The door will be installed in a Habitat home during Trinity Habitat's Spring or Fall build season.

▶ **Stop by the skybridge to Garage 2 to sign the door in our building before it's gone!** ◀
