City Center Team Updates

Operations Dept. Joey Green has accepted the position of Chief Engineer for City Center Management. Joey was selected because of his wealth of knowledge & experience in commercial building maintenance after working for City Center the past 24 years and will be an excellent leader for the Engineering team.

Following Joey's promotion and filling a new vacancy, Charles Darnall is joining the team as the new Assistant Chief Engineer. He has 17 years of experience in the day-to-day operations and building maintenance, including previously working in these buildings early in his career.

We're excited for these roles to be filled by two well deserving individuals. Please join us in extending a big congratulations & warm welcome to both Joey & Charles.

Bites & Insights IN THE BOARDROOM

This year, City Center is proud to host a new series of quarterly activities in The Boardroom, located in the Wells Fargo tower, on level 2. Events will cover a variety of topics such as learning how to create things like balloon arches, florals, cocktails, and charcuterie boards, or hearing from experts in their field about photography, City Center's departments, coffee, artists and first responders, etc.

Our first ever Bites & Insights in the Boardroom will be a deep dive into the world of City Center's Engineering team. We will meet in The Boardroom to enjoy a few light snacks and meet the team while learning a brief overview of the Operations responsibilities. Then, we will head to the basement, aka the "Belly of the Building", for an enlightening tour exploring the inner workings of the buildings.

Tuesday, March 4
1:00 - 2:00 pm
@The Boardroom

Seating is limited, so scan or click the QR code to sign up!

CALL FOR CREATIVES!

As we look forward to our 4th Memorial Tower Climb this Fall, we have a unique opportunity we would like to invite you to participate in. Each year, the climb participants and volunteers receive a climb t-shirt with the tower climb logo on it. It's a treasured piece that can be worn around town with pride to showcase the accomplishment of completing and supporting the climb, as well as a sentimental piece to continue the memory of all that died on that fateful day.

This year, and going forward, we would like to elevate the t-shirt design, with a custom image deigned & selected by YOU! In a few months, we will upload the submissions and everyone will be invited to select their favorite and help us decide on the design too!

Save the Date!
Saturday
Sept 13, 2025

The design must include:
~Event date: **Sept. 13, 2025**
~All 3 First Responders (imagery or symbols):
Police, Fire & EMT

Valentine's Day is Near!

Brighten someone's Valentine's Day with beautiful, fresh flowers! **Flowers To Go** will be set up in the **Bank of America tower lobby** with premade mixed arrangements and bouquets of roses ready for purchase onsite. If you'd like specific arrangements, pre-orders are encouraged. Scan the QR code to **pre-order by Feb. 12**. A text/email will be sent when pre-orders are ready for pickup in the lobby.

THURS, FEB. 13 & FRIDAY, FEB 14
8:30 AM - 6:00 PM

Please Note: Onsite premade order designs will vary. Images above are examples & available on the website to reserve.

BOLO: Be On the Look Out

City Center's Security team is preparing for their annual Tenant Safety Meeting coming up this Spring. Please keep an eye out for the invitation via email from Security to each Tenant Safety Representative for more information about this training. Topics covered during the training include emergency preparedness for weather-related or fire events within the buildings, who to call in case of a medical emergency, what to do if you see a suspicious person on-site, and so much more!

Blood Drive!
