T-Shirt Design CHALLENGE

Earlier this year, we asked for creative help in designing the image to print on the back of this year's 9/11 Memorial Tower Climb t-shirt. All participants and volunteers will receive these shirts, so the winning design will be proudly worn and seen by many! We've collected all of the designs for you now, and we're asking for your assistance once again. Please scan or click the QR code below to see the designs and **CAST YOUR VOTE** for your favorite!

View & Vote on
the Designs Here!

Voting closes on May 31, 2025

The winning t-shirt design will be announced in the next newsletter!

Sliding Doors

UPDATE

Thank you for your patience as we worked through the removal and installation of the sliding doors on the skybridge to Garage 2. The doors will be set to "open" during the building's regular business hours, but key card access is always available too, should you need access outside of those hours.

We will start on the next two skybridge doors, leaving the 203 Cafe lobby and leading into the Wells Fargo building, in mid-May. The work will all take place over the weekends again to not disrupt the workweek. However, if you come in over the weekend you may see the work taking place with signs up asking you to go to street level for access between the building and parking garage. The team working on the project will only divert passersby when needed, so if you see those signs, please take the street level path for access. We will share any updates or additional messages in the elevator digital signage about the sliding door installation process.

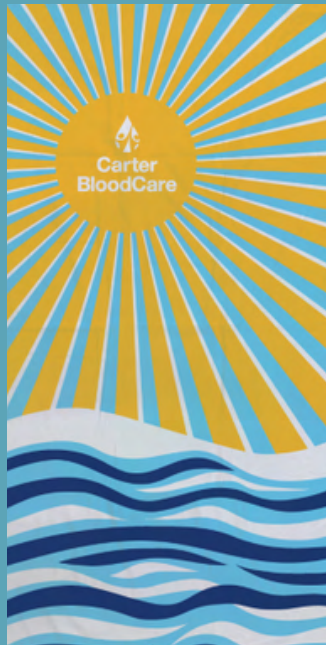

Blood Drive!

Wed, June 11
8:30 am - 2:00 pm
President's Room
(inside City Club)

Register here!

Post-delivery problems led to a terrifying emergency for a North Texas mom. Click or scan the QR code to learn more about Laura's story and how blood and plasma donations helped her.

As a thank you, donors will receive a beach towel! (while supplies last)

Mother's Day

Sunday, May 11

Flowers To Go will be back in the tower lobby ready to help you share the love this Mother's Day. Visit them Wednesday & Thursday in the Wells Fargo Tower lobby between 11:00-5:30 to pick out the perfect arrangement to share with your loved one, or order a special arrangement online to be picked up or delivered:
