Buzzing with News!

We are excited to share that we have partnered with Oak Cliff Bee Company to take care of our sweet little fuzzy, buzzy friends. Now, we have TWO new hives with a gorgeous downtown view painted by our favorite local artist, Sheri Johnson-Lopez at That's Flippin' Smart Art. If you haven't seen the hives yet, stop by The Grill in City Club to see them on the patio. And don't worry, Oak Cliff Bee Company, will harvest & jar the honey too, so stay tuned for the delicious honey again this Fall. And you better bee-lieve it, the interactive learning classes will be coming in the near future as well! Because they're a local company, that means their apiary is nearby too...a field trip may be needed soon!

Since we are working with a new bee company and two new hives, we now have two new royals onsite too! Help us name the Queens by sharing your suggestions! Then in the July newsletter, get ready to vote for your favorite!

Happy Retirement & a New Welcome!

After 10 years of dedicated service, we announce the retirement of Johnny Campbell's exceptional Executive Assistant, Tiffany Hornick. She has been an integral part of our staff, always being a team player with an amazing work ethic and bringing a cheerful smile to the office. Tiffany will be greatly missed for her leadership, initiative, and the kindness she brought to our workplace every day.

Not to mention, Johnny will miss her unwavering support and grace under pressure as she has been the backbone of our daily operations. Please join us in wishing Tiffany all the best in this exciting new chapter as she and her husband, Kevin plan to travel and enjoy a well-deserved retirement!

We are pleased to announce that Jaime Brown has stepped into Tiffany's role following her retirement. Jaime brings a wealth of experience, a strong skill set, and a fresh perspective to the role. Despite the big shoes to fill, we are confident in her ability to lead and support our team with excellence. Please join us in welcoming Jaime to City Center and her new position!

Thanks to everyone that voted for the t-shirt design challenge! We're pleased to share this powerful image that is the winning design to adorn the back of this year's climb t-shirt. All participants and volunteers will receive a climb t-shirt with this image on the back. It's another reminder of why we continue to host the Memorial Tower Climb and the importance of remembering those who paid the ultimate sacrifice while trying to save others on that fateful day. Stay tuned for more details to follow about this year's climb including a call for volunteers and new details that the supporters can enjoy during the event too.

A Fond Farewell

After nearly 28 years of dedicated service in the Parking Department, we also proudly celebrate the retirement of Evelyn Oliver. Her unwavering commitment and steady presence have been a cornerstone of our team. She has made a lasting impact in our company and will be remembered for many years to come. Thank you Evelyn, for nearly three decades of hard work. We wish you all the best in this well-earned next chapter!

Bites & Insights IN THE BOARDROOM

as we learned all about the world of candle making, and of course some do's and don'ts on candle care too! The next Bites & Insights session will be over Chat GPT & AI and it will take place on Wednesday, August 27. We'll open registration for this class in the July newsletter so save the date!

We had a great time making our very own candles in the May class! With smells like Suede Leather, Clean Laundry, Amber Romance and Egyptian Musk and a charcuterie board filled with treats too, we had a great time sniffing and snacking
