Bites & Insights IN THE BOARDROOM

AI & ChatGPT

Thurs, Aug 28
1:00 - 2:00 pm

We're thrilled to share that our AI & ChatGPT training class filled up quickly! The overwhelming interest shows just how eager people are to learn more about AI and how

tools like ChatGPT can enhance their work. The momentum and curiosity around this technology is strong and as we all know, the journey into AI-powered productivity is just getting started!

If you signed up but cannot make it or if you tried but couldn't get into the class, please email Valerie at vfarrell@citycenterfw.com as a waitlist has been started. We'll keep you updated should a seat become available!

★ 2025 MEMORIAL TOWER CLIMB ★

We invite everyone to join us to honor the fallen first responders while also supporting our local police officers, EMTs & firefighters during this meaningful event. There will be a few small activities for children while the climb is taking place and a large LED screen to keep up with the first responders as they climb too.

BANK OF AMERICA TOWER

301 COMMERCE ST. FT. WORTH, TX 76102

OPENING CEREMONY: 8:15 AM

SACRIFICE | HONOR | COURAGE

SAY HELLO TO OUR
Queens

Beeatrix

Beelizabeth

Many thanks to everyone that voted on the bee names! We are pleased to announce our two buzzing beauties will be known as Beelizabeth & Beeatrix going forward. Our beekeepers are thrilled to know their names now too, so when they share news with us about our fuzzy friends, they will refer to them by name and no longer Q1 and Q2. Stay tuned for details on another exciting and buzz-worthy bee workshop coming soon!

Parking News

As you have probably noticed, we have been making upgrades throughout the tower common areas (skybridge carpet, planters, new sliding doors, etc.) and now we're happy to share our latest upgrades will be happening in the Parking Department. The two areas where you'll notice a difference is in the billing process and physically in the garages, you'll begin to see updated ticketing machines. Here are more details on each:

Paperless Billing

Join us in saying goodbye to paper billing! With a plan to go paperless, we ask that you help us to make sure we have a good email address on file for you. Whether your parking is paid for individually or as a company, please email our Parking Services team at **ParkingServices@citycenterfw.com** with your name/company name and current email address.

LEVEL
UP!

Ticketing

Soon, new ticketing machines will be installed at the garage entrances and exits. These machines will no longer use magnetic stripes on the tickets, but instead there will be a barcode. Validations will also be updated with a barcode and utilized for the paper validations. The new exit ticketing machines will also be able to accept Apple & Google Pay. Additional details about the validation options going forward will be provided by the Parking Department in the coming weeks.
