MONKEY BUSINESS *funky.monkey.ranch* Bites & Insights IN THE BOARDROOM

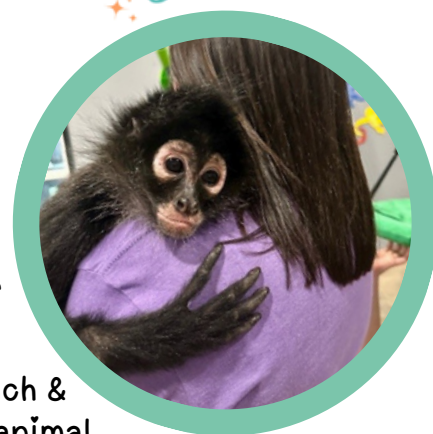

We're getting a little **WILD** with this quarter's Bites & Insights but we have no doubt you'll want to participate! Have you ever wanted to snuggle a spider monkey? Or feel how fluffy a lemur is and hold his soft glove-like hand? Well, we have you covered! This month, with the help of our friends at Funky Monkey Ranch, we're going to bring a couple exotic animals to you for a unique, hands-on experience to get up close with these sweet little guys!

November 19
2:00 -3:00 pm
The Boardroom

Funky Monkey Ranch Foundation, a USDA licensed ranch & non-profit foundation, is Fort Worth's premier exotic animal experience. They not only provide unique animal encounters, but they offer a loving home to many rescued and re-homed spider monkeys and numerous other exotic animals such as lemurs, foxes, otters, sloth, coatis, wildcats & snakes... oh my!

Seating is limited, so to join in this truly one of a kind experience, register today by using the QR code.

Holiday Giving

This year we invite you to join us again in spreading kindness and giving back! We are proud to support these two meaningful charities this holiday season:

Funky Monkey Ranch is a special organization that not only provides a safe and loving environment for exotic animals, but they also share their passion for these animals in an interactive and educational way with the community. Below is a list of items needed and a link to their Amazon wish list. However, their ranch is growing and their biggest need are items for their enclosure expansions as they continue to receive calls and requests for assistance with new exotic animals. Lowes, Home Depot, Walmart & Sam's gift cards are always helpful in this area. Or, if you would like more information about this greater need and a sponsorship opportunity, please reach out to vfarrell@citycenterfw.com.

Pajama Rama provides new pajamas for children and teens experiencing hospitalization, poverty, abuse, or neglect. The pajamas collected are distributed to local children's hospitals, nonprofit & community outreach organizations and children's advocacy centers serving disadvantaged, abused, and neglected children and teens. Many of the children they serve have never owned their own pair of pajamas as these are considered luxury items that parents cannot afford. Pajama Rama believes every child, regardless of their circumstances, deserves a comfortable night's sleep. In addition, Pajama Rama provides Goodnight & Camp bags for children experiencing homelessness or grieving the loss of a loved one. These bags include pajamas, a plushy, journals or books, toothbrushes and toothpaste to provide comfort and joy during a difficult time.

We are pleased to share that we are upgrading to a new parking management system to include new terminals at the entrances and payment stations at the exits of the City Center Garages. The installation will begin on **Mon, Nov 3 to approximately Fri, Nov 7**. The new equipment will require changes with the current validation tickets & process. Once the install is complete, barcodes will be printed on the entrance tickets, and QR codes will be provided to the tenants for validation upon exiting. Please note that this does not impact monthly parker's entrance/exit process. More details will be shared with the primary office contact on file, but should you have any questions or concerns in the meantime, please contact the parking team via email at parkingservices@citycenterfw.com or call the parking team at any of their offices.

**2025 TARRANT CO
