

Ending 2025 with Joy, Laughter and Holiday Cheer

Thank you to all our tenants who joined in the Christmas fun while Santa was onsite. It is always fun to see everyone come together to smile and laugh and in many ways, feel like a kid again. We truly appreciate your participation and hope the holidays were joyous and memorable for all!

In case you haven't already downloaded your photo with Santa, please visit the website in the QR code. The photos taken in the Wells Fargo Tower lobby are first, but keep scrolling down to

Thanks for Donating!

Children in our community will experience comfort and warmth when they go to bed at night thanks to your kindness with the many pajamas that were donated during our holiday donation drive to Pajama Rama.

Also, thank you for the much-needed items for the rescued and adopted exotic animals from Funky Monkey Ranch, helping to give them enrichment and support in their new home on the ranch.

We truly appreciate your compassion and generosity in making a meaningful difference to these two small & local charities!

NEWS

As you may have noticed, there have been many changes recently in the Parking Department. Effective January 1, 2026, parking is no longer free during nights and weekends due to the expiration of the Tax Increment Financing (TIF) agreement provided by the City of Fort Worth in previous years. As a result, standard parking rates will now apply at all times. In addition, all parking rates (including daily & monthly parkers) will now be subject to applicable state taxes, which will be added to the posted parking fees. We appreciate your understanding and cooperation as these changes take effect. Should you have any questions regarding the parking rates or policies, please contact the Parking Department at parkingservices@citycenterfw.com for further assistance.

City Center is committed to supporting the downtown Fort Worth performing arts organizations, including Bass Hall, by providing a discounted rate for visiting patrons.
