

HELLO
SPRING

REMINDER:

Spring Forward
March 8

1st Day of Spring
March 20

Bites & Insights **IN THE BOARDROOM** **FROM THE FRONT DOOR TO THE CONTROL ROOM**

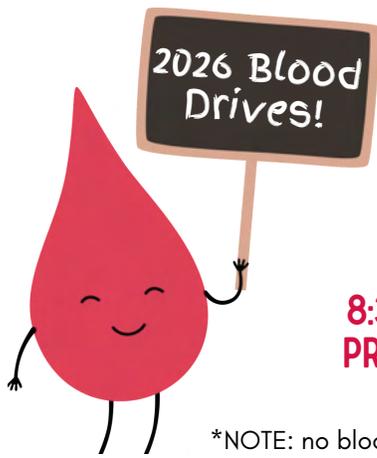

We're excited to announce our next Bites & Insights: **Security Uncovered: A Look Behind the Scenes**, an exclusive deep-dive session designed especially for our office tenants. This interactive class offers a rare opportunity to meet the onsite security team, and tour key operational areas such as the control room, dojo, gun range and training spaces. In this session, you'll gain insight into the people, technology, and protocols that protect the building every day. Join us to learn much more about how incidents are monitored and managed, how emergency responses are coordinated, and how our layered security approach keeps our workplace safe. We look forward to welcoming you for this informative and engaging experience.

TUESDAY, MARCH 31
1:00-2:00 PM

REGISTER TODAY!

WED, JUN 10
WED, SEP 16
WED, DEC 9
8:30 AM - 2:00 PM
PRESIDENT'S ROOM
IN CITY CLUB

*NOTE: no blood drive in March this year.

Read about Officer James "J.T." Taylor with the Waxahachie Police Department's story and why giving back is a badge of honor for him.

Annual Tenant Safety Training

March 25, 26, & 27
2:30 - 4:30 pm
Speaker's Room
4th Floor, in City Club

We're pleased to share that City Center's Security Team will be hosting our annual Tenant Safety Training this month and we encourage your team to take part.

This informative and engaging session is designed to help Tenant Safety Representatives feel confident and prepared in the event of an emergency. An invitation has already been sent to each designated Safety Representative to RSVP. If your representative did not receive the email, or if there has been a recent change in this role within your office, please contact Security directly at workrequest@ccsecurity.com so we can ensure your team is included.

These trainings are an important opportunity to stay informed and prepared. Topics will include emergency procedures for weather and fire events, medical emergency response guidance, how to report suspicious activity, building communication protocols, and much more.

We strongly recommend that all Tenant Safety Representatives attend one of these sessions to stay up to date on critical safety procedures and to help keep our workplace safe for everyone. We look forward to seeing you there!

MAIN ST FORT WORTH ARTS FESTIVAL

Since 1986

The Main Street Arts Festival will soon be here bringing nationally recognized artists, live entertainment, and thousands of visitors right to our doorstep. This vibrant annual event transforms the surrounding streets into a lively celebration of art and culture, and we're excited to once again be located in the heart of the action.

As the festival approaches, we encourage all tenants to stay informed by visiting www.mainstreetartsfest.org or visit the QR code below for the latest details on featured artists, performance schedules, event maps, and important street closure information. Please note that during this festival, there will be increased pedestrian & vehicle traffic in and around City Center.

APRIL 16 - 19
