Queen Bee of Ice Cream

The votes are in, and it's time to crown our Queen Bee of Ice Cream! After a deliciously sweet showdown that was neck & neck throughout the competition, **Apple Honey** buzzed ahead by just a couple votes and has officially taken the honeycomb crown!

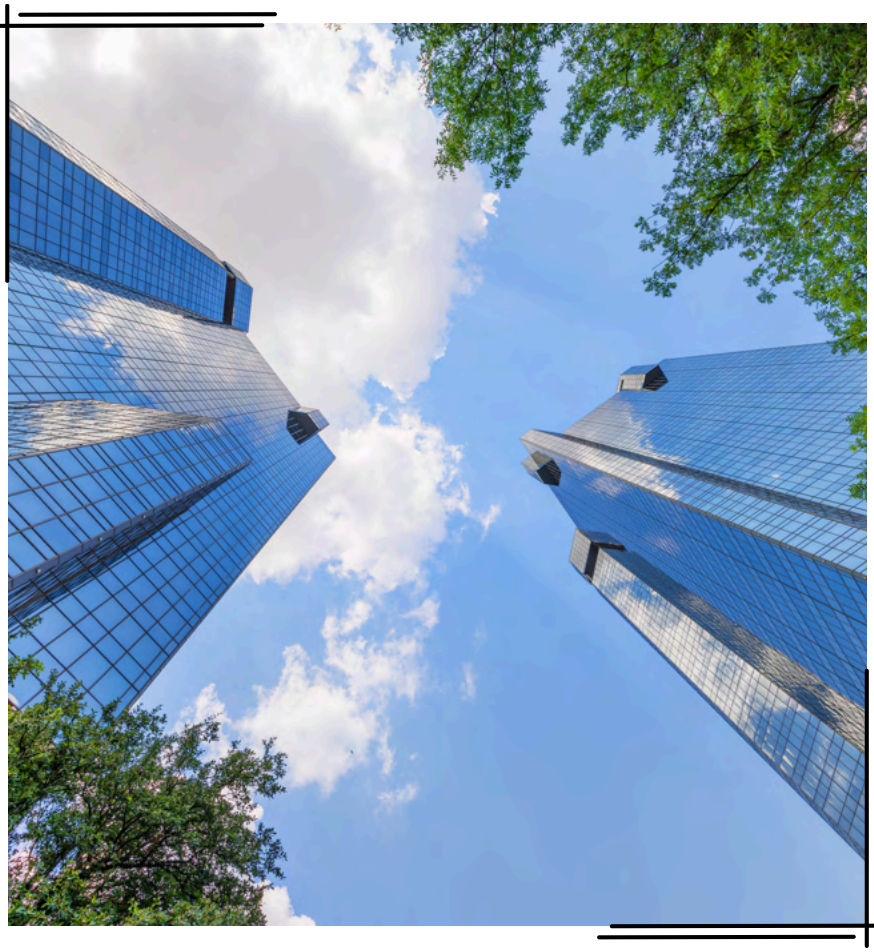
This winning creation started with our very own City Center honey, whipped into a delicious apple honey butter before being transformed into a creamy, apple-inspired ice cream.

A big **hive**-five to everyone who sampled, savored and cast their vote! And a special thank you to **La'Creamian** for creating two un-BEE-lievably delicious flavors using our City Center honey.

Baklava certainly gave Apple Honey a run for its honey, but in the end, Apple Honey proved to be the bee's knees!

Whether you were Team Apple Honey or Team Baklava, we think you'll agree—when it comes to ice cream and honey, everybody wins!

Thanks for making our friendly hive rivalry such a sweet success!



Join us as we wrap up another wonderful year of Bites & Insights with a festive, hands-on experience just in time for Thanksgiving!

Flowers have a special way of bringing warmth, beauty, and a welcoming touch to any gathering. Here in Texas, fall favorites like chrysanthemums, sunflowers, and marigolds bring rich autumn colors to life, creating the perfect seasonal centerpiece. Whether you're hosting a Thanksgiving feast or simply gathering with loved ones, a beautiful floral arrangement adds that extra touch of holiday charm.

Our friends at Flowers To Go will guide us step-by-step through creating a beautiful fall floral centerpiece, perfect for adding a special touch to your Thanksgiving table. Best of all, you'll get to take your creation home to enjoy throughout the holiday!

Come enjoy a little creativity, seasonal inspiration, and festive fun as we celebrate our final Bites & Insights of 2026. We can't wait to see what you fall in love with!

PARADE Reminders

November brings two beloved traditions to downtown Fort Worth, and with the celebrations come a few temporary traffic changes too. Both parades will travel south on Commerce Street, resulting in temporary lane closures and traffic disruptions in and around City Center. We encourage all tenants and visitors to plan ahead, allow extra travel time, and be mindful of posted street closures and detours. If you'll be visiting downtown on either date, please consider how these events may affect your usual route around our buildings.

Veterans Day Parade – Wednesday, November 11

More info

Join our community in honoring the brave men and women who have served our country as the Veterans Day Parade makes its way through downtown. NOTE: Rolling street closures will begin around 9:30 am and will impact both City Center Valet stands during this time. From approximately 9:30 am to 12:30 pm, Valet will operate out of the valet lot located at 2nd & Calhoun St. Once the parade is over, Valet will be back at the base of both City Center towers.

Parade of Lights – Sunday, November 22

More info

One of Fort Worth's favorite holiday traditions returns as the Parade of Lights fills downtown with more than 100 festive floats, sparkling lights, and holiday cheer! NOTE: Street closures will begin near City Center around 3:00 pm. Also at this time, people begin setting up chairs and holding space on the sidewalks for their best view of the parade. Due to this, the City Center Garage 1 Commerce St. gate will be closed, but the Calhoun entrance & exit will still be open and available for use. The parade begins at 6:00 pm.

CITY CENTER'S ACCOUNTING PORTAL IS NOW ACTIVE

As a reminder, the Yardi CommercialCafe tenant portal is where your company can manage your tenant accounting needs online. **Rent statements will be available only through CommercialCafe, and will no longer be emailed or mailed.** Also, those currenting using PayLease to pay for your office or parking services will now use CommercialCafe to manage and pay for your account. Please email accounting@citycenterfw.com to ensure your account is updated — especially if you currently receive mailed statements. A quick link to this portal is available through City Center's Tenant Services portal on our website.
